### Opening Keynote

Hear from SAP Concur leaders about our latest vision as well as strategies to help you be drivers of change, get a sneak peek into new innovations, and gain insights from industry experts and your peers.

9:00 am – 9:30 am

### General Session: The New Concur Travel: Deep Dive on Recent Innovations

Business travel is changing. So are we. Review updates made to Concur Travel that provide increased control and compliance, enhanced visibility, and better experiences for travelers. We'll dive into what is available for you today, future innovation in this area, and give you a chance to ask the questions we know are top-of-mind.

9:30 am – 10:15 am

### The Evolution of P-card Programs: Now and to the Future

Advances in technology and card types can help you make significant strides within your purchasing card program. Join SAP Concur experts as they walk you through how other organizations are using purchasing cards and the opportunities available to you regarding data insights, auditing, and more.

10:30 am – 11:15 am

### Beyond Pre-Approvals: Unlocking the Full Potential of Concur Request

There's more to Concur Request than meets the eye. Discover how you can take advantage of your solution for more than just pre-trip approvals, including credit card requests, name changes, pre-spend approvals, office returns, and more. You can streamline requests without losing proper documentation.

11:30 am – 12:15 pm

### BYOC: Beginner to Intermediate Training for Intelligence and Mastering Reporting Schedules

Enhance and expand your reporting skill set with IBM Cognos Report Studio. We'll walk through the basics, then dive into how to build filters, custom prompts, and ensure your report has the correct prompt page to allow for scheduling. Cognos Professional Author Role is required to follow along. BYOC = Bring your own computer for this hands-on training. Attendance for the full duration of this session will earn 1.0 CPE credit for CPAs. (Prerequisites = Working knowledge of SAP Concur, Program Level = Intermediate)

1:00 pm – 1:45 pm

Throughout the day please stop by the expo, check out the Solutions Showcase, and meet our partners!

## Funds and Grants Management Through APIs

Many organizations within regulated industries will require authorization prior to spend. Once the authorization has been approved, the funds or grants are encumbered for the expected spend allocations. To perform this process you can take advantage of a robust API set. Learn about how the APIs can be used and what your peers are doing today.

2:00 pm – 2:45 pm

---

## General Session: Peer Insights: Future Focus and Key Priorities

Hear from your peers in Public Sector and Regulated Industries about their T&E program journeys. Travel, expense, and AP priorities are evolving and will look different in 2025 than they do today. AI and emerging technologies, unique compliance challenges faced by each industry, and strategies for change management only scratch the surface of what we'll explore.

3:15 pm – 4:00 pm

---

## Networking Reception

Join us for appetizers, beer, and wine to close out the event! Connect with industry peers, colleagues, and new friends from across all of our guests in the Public Sector and Regulated Industries.
