Opening Keynote

Hear from SAP Concur leaders about our latest vision as well as strategies to help you be drivers of change, get a sneak peek into new innovations, and gain insights from industry experts and your peers.

10:00 am – 10:45 am ET

Keeping Pulse on Policy: Adapting and Applying Policy Changes for Travel & Expense

As travel and expense continues to evolve, how do you create, enforce, and maintain a flexible policy for your employees? Understand employee expectations, what you should revise to accommodate the modern-day worker, where to get started with policy changes, and how to measure success going forward.

11:00 am – 11:45 am ET

Don't Leave Spend up to a Coin Flip: Lessons to Make Headway on Tail Spend

How do you control what seems uncontrollable? Employee-initiated spend through nonstandard payment channels can contribute to larger finance challenges involving posting and journal entries, cost center budget management, or even unapproved suppliers. Learn how to identify leakage on expense reports and increase spend control leveraging automation and reporting.

12:45 pm – 1:30 pm ET

Do you want to dive deep into reporting or discover key components to enhance your expertise? Select your next session your program goals.

BYOC: Beginner to Intermediate Training for Intelligence

Whether you're just starting to explore IBM Cognos or looking to expand your reporting skill set, this hands-on session can help. Learn how to find all the functions and features in Cognos 11, and understand how to modify standard reports. *BYOC = Bring your own computer for this hands-on training.

For Frequent Flyers: Mastering SAP Concur Solutions for Intermediate to Advanced Users

If you've been an SAP Concur administrator for multiple years and are looking to gain more experience or discover the latest advanced tactics, this is the place for you. Join your peers to discuss how to drive performance enhancements, elevate your reporting, and maximize your investment.

1:45 pm – 2:30 pm ET

BYOC: Intermediate to Advanced Training for Intelligence

If you know where to start and the basics of IBM Cognos but are looking to master your craft, this intermediate to advanced session is for you. Discover how to use graphing to better illustrate your data story. Cognos Professional Author Role Required to participate but all are welcome to observe. *BYOC = Bring your own computer for this hands-on training.

Future Feature Feedback: Expense Evolution

Discover upcoming features to help you improve spend management with an efficient, automated, and streamlined approach. Our solutions experts will share their insights and then open up the floor to you, providing you with the opportunity to ask questions and share your thoughts to influence development and timing.

2:45 pm – 3:30 pm ET

Throughout the day you can stop by the expo to watch a micro forum, check out the Solutions Showcase, and meet our partners!
