## AP automation is on the rise in Canada

At SAP Concur, we are seeing a growing number of Canadian businesses planning and implementing automated invoice management solutions, such as Concur Invoice. In fact, over 4,000 Concur Invoice customers processed over 14 million invoices in the last 12 months! That's an average of nearly 39,000 invoices per day. Below are case studies worth reading on two such clients.

### FOUR SEASONS

#### Success Story: Four Seasons

Discover how Four Seasons Hotels and Resorts streamlined its expense management process with SAP Concur, giving hotel and operations staff more time to focus on what matters most: delivering a luxurious guest experience.
