

To Our Valued Customers

With Canada slowly moving towards reopening, efficient spend management matters now more than ever. To help, we've developed a number of resources, training tools and events that can help you successfully navigate a path toward recovery. Should you need any additional spend management support or guidance, please don't hesitate to reach out to us.

Special Resources for Canadian Businesses During COVID-19

In case you missed it, we created a webpage that gathers together tools, resources and guides to support your business during the current economic challenges. From links to our Insights On webinar series to advice on maintaining your employees' experience when working from home, you'll find plenty of timely guidance that you can use starting today.

UPCOMING Webinar:

How AP automation can **protect your critical cash flow**

Thursday, July 9, 2020
11am PT / 2pm ET

Has the current business climate made it more difficult for your finance team to capture, process and pay supplier invoices?

Join our live solution demo and see first-hand how integrating Concur Invoice with your current SAP Concur solution can help protect your critical cash flow. Hosted by Sara Hurst, and presented by Erika Reyes and SAP Concur's Accounts Payable specialist, Natalie Jones, the exclusive webinar for customers will explore:

- Top challenges facing AP teams today; from missing invoices to manual reporting errors
- Key features of Concur Invoice that will significantly reduce AP effort, increase accuracy, and decrease costly risks
- How integrating Concur Invoice with your existing SAP Concur solution is a win for your employees, too
