Opening Keynote

Hear directly from SAP Concur leaders as they share exciting updates about recent product innovations and what's happening next.

9:15 am – 10:15 am

Session Break – Spend time in the Expo

Take advantage of networking breaks to explore the expo! You can get specific solution questions answered in our SAP Concur Expert Centre, or meet one of our partners onsite at their booth.

The New Concur Travel: Deep Dive on Recent Innovations

Business travel is changing. So are we. Review updates made to Concur Travel that provide increased control and compliance, enhanced visibility, and better experiences for travellers. We'll dive into what is available for you today, future innovation in this area, and give you a chance to ask the questions we know are top-of-mind.

11:00 am – 11:45 am

Navigating Sustainable Futures in T&E

With upcoming regulations and sustainability trends, you need to ensure your Travel and Expense programme is ready and adaptable for what could come next. Discover key insights on understanding environmental standards, while exploring pathways towards a greener future. We'll offer essential guidance for businesses and travellers committed to environmental stewardship.

12:00 pm – 12:45 pm

Micro Forum

Solution Showcase: Evolution of Concur Travel

We've re-platformed Concur Travel to feature a new, consumer-like experience, robust content, and smart solutions. It aims to make everyone involved in booking and expensing business travel more productive. Take a look at our new experiences for rail, car rental, hotel, and air.

2:15 pm – 2:35 pm

Micro Forum

Charting the Course: Key Insights of GDS NDC

Let's explore what you need to know about the NDC journey, from product selection, to booking and beyond. Gain valuable insights as we share our experiences and demonstrate the new differences.

2:45 pm – 3:05 pm

More Than a Buzzword: The Present and Future of AI in Travel and Expense

AI is making an impact in the travel and expense space and we want to make sure you are well equipped to take advantage of it. We'll dive into how SAP Concur solutions are currently utilising this rapidly-evolving technology, our plans for the future, and how it will impact the roles and strategies of T&E professionals.

3:15 pm – 4:00 pm
